§303.702(b) requires each State to report annually to the public on the performance of each EIS program located in the State on the targets in the State's performance plan to be "as soon as practicable but no later than 120 days" following the State's APR submission. The following table serves as public reporting and includes the target and performance of each EIS program reported to the public for Indicators 1-8 in FFY 2009:
